Once I Saw A Crab

Once I saw a crab swimming in the deep blue sea.

(Swim, point downward)

I called, "Mr. Crab, won't you swim with me?"

(Cup hands around mouth)

Then out came his pinchers, very short and sharp, too

(Make two clawhands)

Then I swam away from his sharp pinchers two.

(Swim away)

HOW TO MAKE EDIBLE BABY SAND

Materials:

- entire box of graham crackers (about 25 crackers or so) (broken into smaller pieces by hand and then place them in a blender on the “liquefy” setting.)
- Do the same with the oatmeal and then mix the two together in a large tub of some type.
- Make sure to run hands through the sand before you put baby in to make sure there are no large pieces of cracker left.
- Place some sensory toys such as teething ocean animal toys, bath books, etc. into the sand.
