Toy Boat Water Play

Let's play with boats and other floating toys!

- Head outside or into the bathroom and fill a large container with water.
- Splash, pat, and grab at the water together. Get wet! Babies love the sounds and feeling of making a big mess!
- Add your floating bath time toys (or even just a cup or bowl) and have your baby try to grab them as they float by.
- Talk to your baby about everything you're doing! Describe in simple words the toys, water, splashing, etc.
- Remember to NEVER leave your baby unattended when playing with water.

What We're Learning:

- Hand-eye coordination
- Fine (grasping) and gross (splashing) motor skills
- Language skills
- STEM concepts like buoyancy, density, and displacement
- That water is fun!

Week of July 25, 2022 – Boats

Row, Row, Row Your Boat

Row, row, row your boat
Gently down the stream
Merrily, merrily, merrily, merrily
Life is but a dream!

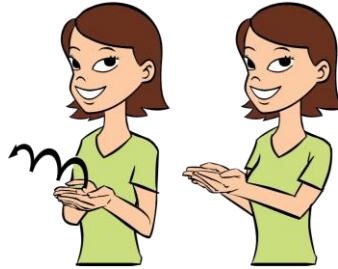

Other verses:

Bounce your boat... *(fast!)*
Sway your boat... *(slow!)*
Wiggle your boat... *(silly!)*

Here is the Sea (Scarf Song)

(Wave your scarf like the sea!)
Here is the sea, the wavy sea
Here is my boat
And here is me!

(Swim your scarf back and forth!)
All of the fishies, down below
Wiggle their tails
And away they go!

BOAT – EL BARCO

My Boat Goes Over the Ocean

(Sway or rock baby to this lullaby!)

My boat goes over the ocean
My boat goes over the sea
My boat goes over the ocean
Oh bring my boat back to me

Bring back, bring back,
Bring my boat back to me, to me
Bring back, bring back
Bring my boat back to me
